Legend:

Complete the exam budget based on numbers between 1 and 10. Once you have completed your exam budget and you want to know how it ranks. Contact our office at: admin@mdiprep.org to schedule an appointment with Dr. Sutton.

1. Exam Cost (1-10):

- 1: You have all the money for the exam.
- 10: You have no money for the exam.

2. Children Cost (1-10):

- 1: No children involved.
- 10: Children without a support system.

3. Time (1-10):

- 1: Plenty of time to prepare for the exam.
- 10: Less than a day to prepare for the exam.

4. Health (1-10):

- 1: Perfect health.
- 10: Mental or physical health challenges that can affect your exam.

5. Finances (1-10):

- 1: In a good financial position.
- 10: Struggling financially.

6. Social Distractions (1-10):

- 1: No social distractions.
- 10: More than 2 social distractions, i.e., toxic relationships, organizations, other commitments.

7. Content Tutors (1-10):

- 1: Do not need tutorials.
- 10: Need a full-time tutor throughout the duration of preparation for the exam.

Note: The lower the total score indicates a healthier budget and less stress associated with preparing for the exam.
